Section Officer
ToRs of Coordination Mechanism for COVID-19 Vaccine introduction

Background:

COVID-19 pandemic has adversely impacted lives and economy across the globe. With around 250 vaccines in various stages of development, it is likely that a vaccine against COVID-19 will be the earliest available intervention to protect the citizens of our country.

Government of India has begun its preparations for possible introduction of COVID-19 vaccine and a National Expert Group on Vaccine Administration for COVID-19 (NEGVC) has been formed as the highest group that will guide the strategies for vaccine introduction. It is anticipated that initially the supply of vaccine will be limited in view of huge demand hence, prioritization of socio-demographics group will be done for vaccination and subsequently other groups will be included for vaccination.

In all likelihood, the COVID-19 vaccine introduction will span over an year with multiple groups being included sequentially starting from Health Care Workers (HCWs). Therefore, it is important to create strong advisory and coordination mechanism at State and District level to guide the process of COVID-19 vaccine introduction while ensuring minimal disruption of other routine health care services including Immunization.

Hence the following are the groups are to be formed at District and State level.

A. State Steering Committee

Chairperson: Chief Secretary
Convener: Principal Secretary, Health

Members:

- **Development partners**: WHO, UNICEF, UNDP, BMGF, JSI, CHAI, IPE Global, Rotary International, U.S. Centers, Church

Frequency: At least once in a month, additional meeting may be held if required

Activities to be conducted:

1. Preparatory phase:
• Ensure active engagement of other line departments for various activities related to COVID-19 vaccine introduction as and when the vaccine is made available.
• Oversight on creation of database of Health Care Workers (HCWs) on COVID-19 Vaccination Beneficiary Management system (CVBMS) who will be prioritized for vaccination in the 1st phase
• Review of state's preparatory activities in terms of cold chain preparedness, operational planning, communication planning, strategies for anticipated state specific challenges in terms of geographical terrain, network connectivity, hard to reach areas etc.
• Mobilize human/other resources and coordinate planning and other activities with other departments. HR with expertise in medical/health may be utilized for vaccination while other HR may be used for operational support, IEC, resource mobilization, community mobilization etc.
• Financial planning for COVID-19 vaccine introduction amongst HCWs followed by other priority socio-demographic groups
• Explore utilization of Corporate Social Responsibility (CSR) for financing various activities related to COVID-19 vaccine introduction
• Devising plan for utilization of Common Service Centres and other public infrastructure as per need
• Review and ensure that regular meetings of State Task Force (STF) and District Task Force (DTF) are held

2. Implementation phase (upon availability of vaccine):

• Oversight on overall microplanning and other operational aspects of COVID-19 vaccine introduction.
• Ensure active involvement of all concerned department and stakeholders as per their pre-defined roles in the process of COVID-19 vaccine introduction.
• Ensure early tracking of social media and other platforms for possible misinformation and rumors around COVID-19 vaccine that could impact the community acceptance for COVID-19 vaccine.
• Devise innovative strategies for improving community engagement 'Jan Bhagidaari' for improved coverage of COVID-19 vaccine.
• Regular review of coverage of COVID-19 vaccine and guidance to STF for corrective actions.
• Institute reward/recognition mechanism for achievement of best performing district/block/urban ward etc.

B. State Task Force:

Chairperson: Additional Chief Secretary/Commissioner Principal Secretary, Health

Member Secretary: State Immunization Officer (SIO)

Members: Mission Director, National Health Mission (MD, NHM) and other State-level implementing officers from health department, key government departments like Urban
development, Women & Child Development including ICDS, PRI, AYUSH, partner agencies like WHO, UNICEF, UNDP, BMGF, JSI, CHAI, IPE Global etc., CSOs, religious leaders etc.

Frequency of meeting: At least once every fortnight. Additional meetings may be held as per need.

Activities to be conducted:

1. Preparatory phase:

   - Regularly monitor the progress of database of beneficiaries on COVID-19 Vaccination Beneficiary Management system (CVBMS)
   - Provide guidance, including funding and operational guidelines, and fix timelines for districts to plan and implement COVID-19 vaccine introduction as and when vaccine is made available
   - Involve other relevant departments including ICDS, PRI and key immunization partners such as UNDP, UNICEF, WHO, Rotary International, Reproductive, Maternal, Newborn, Child Health and Adolescent Health (RMNCH+A) lead partners and other organizations at state level CSOs, including professional bodies such as IMA should also be involved
   - Review cold chain preparedness across the state for possible introduction of COVID-19 vaccine and guide strengthening measures for the same in view of increased cold chain space requirement
   - Identify vaccinators across government and private sectors so as to minimize disruption of Routine Immunization services while introducing COVID-19 vaccine
   - Planning and mapping of vaccination sessions where HCWs will be vaccinated during the 1st phase of COVID-19 vaccine roll-out
   - Mapping human resources across departments that could be deployed for vaccination sessions for verification of beneficiaries, crowd management and overall coordination at session site
   - Communicate with District Magistrates (DM) for conducting meetings of District Task Force

2. Implementation phase (upon availability of vaccine):

   - Track districts for adherence to timelines for overall implementation of COVID-19 vaccine introduction as per the guidelines approved by NEGVAC and communicated from national level
   - Deploy senior state level health officials to each district identified for monitoring and ensuring accountability framework. They should visit these districts and oversee the activities for the roll-out of COVID-19 vaccine, including participation in DT11 meetings and assessment of district preparedness
   - Develop a media plan to address rumour mongering as well as vaccine cagerness. Ensure adequate number of IEC materials (as per prototypes) are printed and disseminated to districts in time
• Involve youth organizations like NCC/NYKS/NSS for social mobilization of identified group of beneficiaries to be prioritized from time to time. On similar lines, ensure involvement of self-help groups.
• Regular review with districts and urban local bodies to review and resolve issues related to microplanning, vaccines and logistics, human resources availability, training, waste management, AEFI and IEC/BCC.
• Review and need based approval of additional fund requirement.

C. District Task Force:

Chairperson: District Magistrate

Member Secretary: DIO

Responsibility: CMO

Members: CMO, key departments including WCD, PRI, Urban Development, Cantonment boards. Sports & Youth Affairs, National Cadet Corps (NCC), Nehru Yuva Kendra Sangathan (NYKS), National Service Scheme (NSS), Education, Social Welfare, Minority Affairs, Information & Broadcasting, Railways, Home dept., Revenue dept., Labour dept., Mining, Tribal Affairs and any other relevant departments and District-level partner agencies like WHO, UNICEF, UNDP, BMJF, JSI, CHAI etc. CSOs, professional bodies like IMA & religious leaders

Frequency: Weekly.

Activities to be conducted:

1. Preparatory phase:

• Monitor progress of database of beneficiaries on COVID-19 Vaccination Beneficiary Management system (CVBMS).
• Ensure training of all concerned HR on COVID-19 Vaccination Beneficiary Management system (CVBMS).
• Monitor progress on key activities such as microplanning, communication planning, cold chain and vaccine logistics planning. Accountability to be fixed for each activity at all levels
• Planning and mapping of vaccination sessions where HCWs will be vaccinated during the 1st phase of COVID-19 vaccine roll-out.
• Involve other relevant departments including ICDS, PRI and key immunization partners such as UNDP, UNICEF, WHO, Rotary International, RMNCH+A lead partners and other organizations at district levels. CSOs, including professional bodies such as IMA should be involved. Involve the local and religious leaders.
• Identify vaccinators across government and private sectors so as to minimize disruption of Routine Immunization services while introducing COVID-19 vaccine.
