In the meeting held on 15.12.2014 regarding the cooperation between World Food Programme and Social Justice Department, it was decided to propose the nutrimix fortification as a collaborative project between the Government of Kerala and World Food Programme. The project aims to leverage the existing platform of the Kudumbashree nutri-mix production units to enhance the nutritional quality (through fortification) of the take home rations distributed to children between 6-36 months of age through the Integrated Child Development Service (ICDS) scheme. For operationalising this initiative, World Food Programme & Social Justice Department in Government of Kerala will have to enter into a formal Memorandum of Understanding.
